This is going to be another exciting year for crochet! Join us for the **2012 Crochet Design Challenge!** We will sponsor the challenge on a month-to-month basis with monthly themes and prizes. Depending on how much participation we get, we will try to do a pattern each day. We will support you with videos, patterns and design ideas. We can also help you with pattern writing. Designs must be original and quick enough to make in a day. You can design ahead for future categories. All entries must be in by the 20th of each month to qualify for that month. All hat entries need to be in by January 20th and all February items need to be in by February 20th and so on.

Entry Forms and Documentation coming next week.
